What's YOUR STORY?

My Story

As an adolescent, I literally lived and spent many days on the campus of Coahoma Community College (Coahoma). Like most children, lofty dreams of doing well in life occupied my mind daily. Yet, time has a peculiar way of shaving away desires of success that are unrealistic as experienced in my life while approaching graduation from high school. The lofty pedantic fantasies of going to a big university far away from Mississippi became unlikely as a high school senior due to reasons such as cost of tuition, a lack of a high ACT score, no full scholarship offers from reputable and well-known prestigious out of state schools, as well as a sort of inner secret voice that subconsciously whispered the truism that I was not ready to venture down the road that my earlier dreams called for me to travel. So, immediately after graduating from high school, I enrolled in summer courses at what was called Coahoma Junior College at the time. Coahoma was close to home, affordable and resourced with caring and competent instructors.

Coahoma served as the ordinary college that equipped me and others to embark upon a journey to do and experience some extraordinary things in life. Coahoma provided the necessary discipline, nurture and support which ignited confidence in my ability to dream, excel and learn. My journey to Alcorn State University, Princeton Theological Seminary and Ole Miss all became possible because of my time as a student at Coahoma. Similarly, my capacity to serve as a college instructor, school principal, superintendent of education, clergy leader and a decent human being with a never ending desire to help others traces back to my time as a student at Coahoma. I respect and revere Coahoma in that it has been a true source of development for me and many others since 1949.

I ask that each of you will join me, our board of trustees, faculty, staff and alumni in assuring that current and future students of Coahoma will also have a positive story to share once they have experienced education the Coahoma Community College way.

Recap 2017

What's YOUR STORY?

Graduation 2017

A Packed House!!

Hi! My name is **Jordan Sales.** I started at Coahoma immediately after graduating high school. I decided to leave after one semester there to attend Mississippi State University, but after being at MSU, I realized that Coahoma was the best place for me during that time. I came back, and I thoroughly enjoyed the Tiger experience. Being a native of Clarksdale, Coahoma has always been home, but it is the faculty and students that solidifies the fact that when you step foot on CCC's campus, you are home, and you are part of the Tiger family. I graduated May 2017, and the education I received at CCC is invaluable, and I would tell anyone to come experience Tiger Nation!

What's YOUR STORY?

"A Regal Affair"

Hey everyone! My first year studying at Coahoma Community College, I quickly realized why most people say that they found their family here. Everyone was nice to me. I then decided to run for Miss Coahoma Community College. I can truly say that it was the best decision that I've ever made. I've met so many great people since winning Miss Coahoma Community College. I've learned so many things that would help me in the real world. Choosing to go to Coahoma was one of the best decisions that I've ever made in my life.

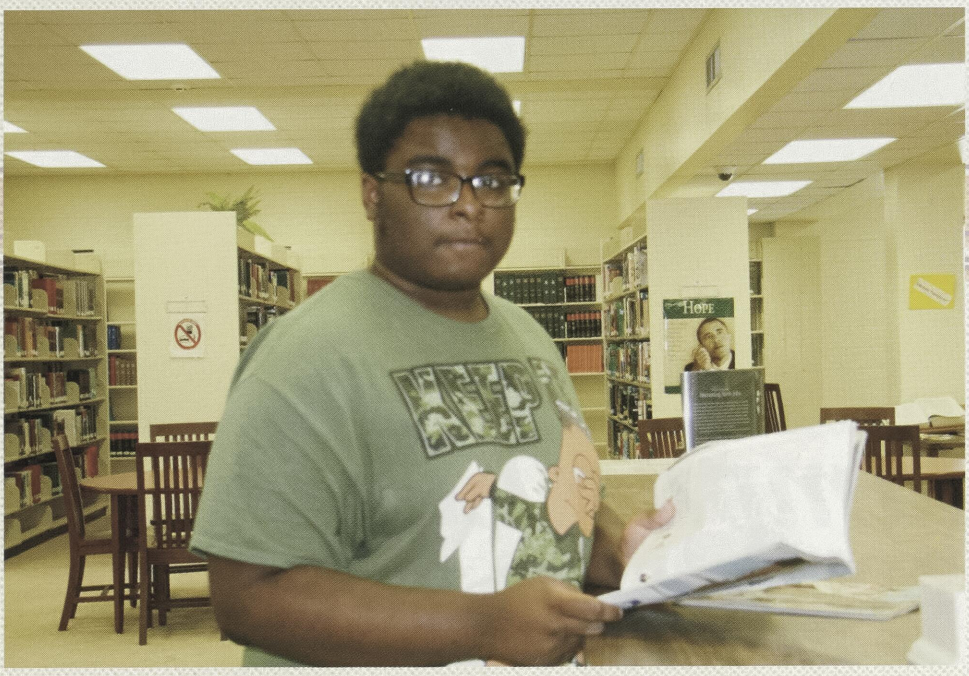
What's YOUR STORY?

Campus Life

What's YOUR STORY?

Coahoma Early College High School offers so many opportunities for high school students. Some juniors and seniors are blessed to have the opportunity to be a part of Coahoma Community College Dual Enrollment program. We have the opportunity to get ahead of others and maybe finish college early. This amazing program is the highlight of most students' high school memories. Being able to get a feel of how college works before we actually enroll is a major blessing. Dual enrollment students will forever have memories of coming to the campus library before class to study or finish work. We encourage any student that can to take Dual Enrollment to make amazing high school memories.

Aniya Johnson



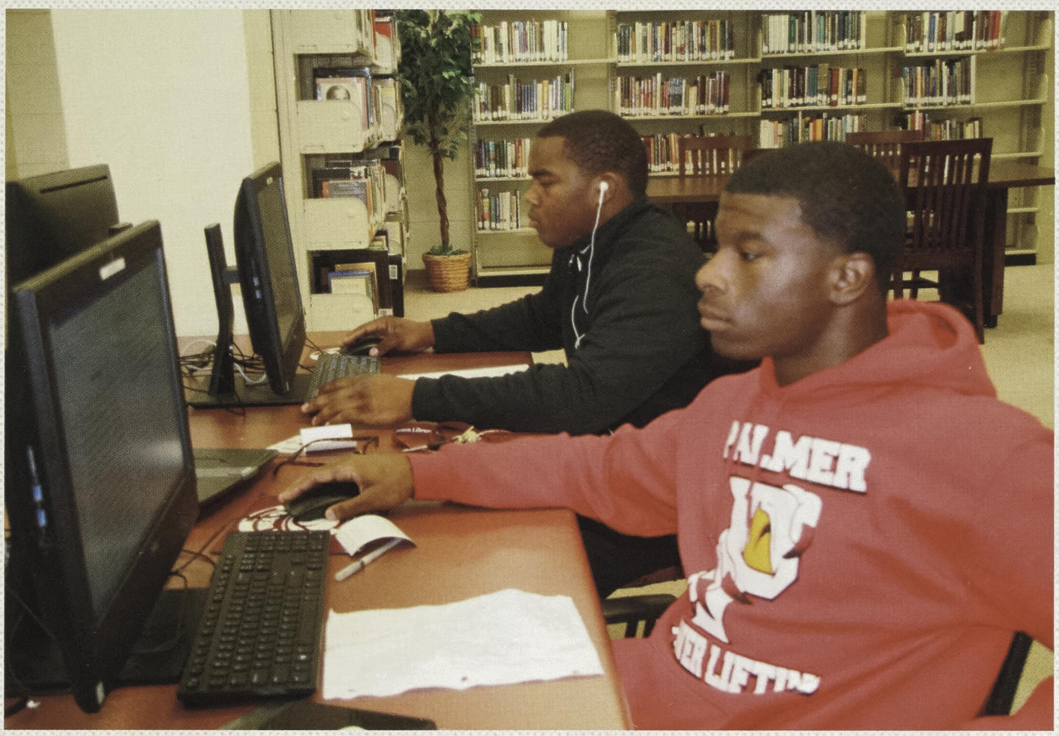
Leisurely reading in the library is Michael Sims of Clarksdale.

Mya Hunter of Clarksdale, Brison Davis of Friars Point, Aniya Johnson of Jonestown and Mikailah Palmer of Clarksdale are working on group assignment.

Z'mya Austin of Coahoma, Terrionne Hinton of Friars Point, Tyler Williams and Alexia Phillips of Jonestown work together.

EARLY COLLEGE

Completing homework builds GPA



Cregrick Buckley of Charleston and De'Marcus Rucker of Marks work hard at completing homework.

Brayden Doss of Waynesboro does not waste time in completing his assignments.

Khyla Wright of Greenville edits her assignment.

Dickerson Johnson Library

Introduction of Social Science class utilizes the library to research Power of Culture. Megan Smith of Clarksdale, T'Jayleln Hosey of Bay Springs, Terrrail Farmer of Duncan, Ladajah Jones and Alydiah Shivers of Clarksdale, Keairrie Twilley of Crowder, Kiana Rice of Jonestown, Destiny Benson of Webb and Stevonna Washington of Glendora

Shameka Vincent of Shaw works hard on completing her assignment.

What's YOUR STORY

Coahoma is not just a community college; it's a tradition in my family. As a fourth generation Coahoma Community College student it has prepared me to propel on my journey to success. Coahoma was the best decision I could have ever made after high school. I am honored to be a tiger and proud to continue the legacy that my great grandparents started at the astonishing Coahoma Community College.

Brianna N. James

What's YOUR STORY?

My Story

"Never give up"! I started this journey at CCC 18 years ago. As the first certified police office on campus, while attending courses in Criminal Justice, I started working as a police officer on the street in Belzoni. So I left Coahoma Community College, I went on to other endeavors but I never gave up. On finishing my education at Coahoma Community College. I came back to CCC to finish what I started 18 years ago, so in May 2018 I will be graduating from Coahoma Community College with my AA in Criminal Justice so no matter if life get you down, get back up and just keep moving forward. Coahoma is one of the greatest Community College that I have attended its home for me, thus are great opportunity for all students that want and Education.

What's YOUR STORY?

My experience at Coahoma has been overall accomplishing. While being here I came upon different challenges that helped me develop new strategies and gaining new knowledge. I love how every teacher, counselor, etc. are all willing to not only help students, but develop good friendship as well. Another thing I love most is being in the Choir in the hands of Mr. Kelvin Towers! Coahoma will always have perfect tiger spirit. I'm glad I have first attend college here at CCC, home of the tigers!

What's YOUR STORY?

My story

I decided to go back to college after the closing of the only and local hospital in my hometown which was Quitman County Hospital owned and operated by two wonderful doctors, Dr. James Warrington and Dr. Richard Waller. After working for over 28 years at a hospital filled with lots of love and hospitality, I decided to pursue my career in early childhood education. Therefore I could increase my knowledge in taking care of young children and the elderly.

I must say that the staff at Coahoma Community College was so inspiring upon entrance continued to feel the heartfelt desire to complete my requirements for admission.

At this time I would like to say, "THANKS" to the staff members here a Coahoma Community College who really played main characters in helping me get started in completing my educational career.

I want to give a shout out to those people:

CCC FIT FOR LIFE

MADE POSSIBLE BY A GRANT FROM

Blue Cross & Blue Shield of
Mississippi Foundation

A Subsidiary of Blue Cross & Blue Shield of Mississippi.

Coahoma Community College's Fit for Life Health and Wellness Initiative strives to create a culture of nutrition and fitness on our campus, in our schools, and in the communities we serve. It is our goal to:

1) Provide educational awareness activities to our faculty and staff and the students.

2) Provide a safer and injury-free environment to exercise.

3) Promote good practice in healthy eating and physical activity on campus, in K-12 districts and in the community.

What we offer:

* 1/2 mile lighted, rubberized fitness trail
* Fitness Training Pavilion
* State-of-the -art Fitness Center
* Fit for Life Bikes
* Group Fitness Exercise Classes
* Nutritional Counseling
* Fun Fitness Activities

Fit for Life Director: Letha Richards, Educational Outreach Director
Fif for Life Executive Member: Jerone Shaw, Chief of Staff

What's YOUR STORY?

Hello everyone. My name is Sylvarena and I will be going to informing you all about my experience here at Coahoma Community College "CCC". I've been a student here at CCC since spring of 2015; although I took a year for personal reason; I'm a sophomore now trying to obtain my Associate Degree in Culinary Arts. Whenever I don't have class or a cooking event I'm always in the library to try to help ease my brain of the stresses of college. I may go to the library at least ten to fifteen times a week; I'm either on canvas doing classwork, homework, reading a book or doing some research for my business plan. Every librarian either knows me by name or face because I'm always in the library for hours at a time because being in the library gives me a peace of mind. Now don't get me wrong there are multiple times that I've wanted to give up on college, but then I think about how far I've come and how hard I've worked to get to where I am today. I'm extremely passionate about my choice in choosing the Culinary Arts program to get a degree in because both of my chefs; Chef Warr and Mama Joann; have giving me some outstanding knowledge throughout the two years I've been with them that I'm working on trying to open up my very own bakery café. I want to give thanks to every professor that have taught me or that's teaching me now because every single one of them are a major part of who I am and the growth that I've overcome.

Sylvarena Mitchell

What's YOUR STORY ?

Hi, My name is ***Kenterrace Speight*** *and I am Freahman at Coahoma Community College. My major I'm up taking is Nursing. During my first semester I enjoyed it. The students stayed involved in on campus activities. I had a chance to meet several new friends in the classroom and outside the classroom on campus. During my time there the teachers and staffs they welcome you there and treat with so much respect. In the classroom the teachers taught for every student to understand and if you didn't understand they welcome you to come to them after classroom hours for more help. But overall I would recommend many people to attend Coahoma Community College.*

Checking in to use a computer at the DJ Library is Kameron Haymon of Greenwood

Finishing Computer Application Powerpoint is Imanni Rucker of Tutwiler.
Searching for class information is Angelia Denard of Shelby.

Checking a file on his laptop is Ronnie Webb of Clarksdale

What's YOUR STORY?

*Hello, My name is **Jasmine Reed**. I am from Indianola, MS. I graduated from Gentry High School on May 27,2016. I enrolled at Coahoma Community College as a Psychology major on August 2016. During my 1st. year at Coahoma, I was an active students. Instead of being in my dorm everyday, I was in extracurriculars such as Band and Choir. I participated in all other festivities at Coahoma. Later on during the Spring semester, I decided to join United States Army. I joined because I want the experience only some people of the world could only get into. My journey through basic training and AIT was tough for my size being 4'11, but I proved to people that a girl who wasn't physically strong can push through with her mind because everything is mental. On Dec.15, 2017, I was officially US National Guard Army as a 13J (FATDS Specialist). After joining, life was better and I wasn't economically struggling anymore.*

Jeremy Hooper of Clarksdale works on a Canvas assignment.

Cultural Awareness Week- Midnight Breakfast
Miracle Hunter of Clarksdale and Tkeyah Sharkey of Greenville

What's YOUR STORY?

"Coahoma is the place where anyone with a dream can start and make it a reality". Dr. Valmadge Towner made this significant and true statement during my freshman orientation. I have grown so much during my two-year study here at Coahoma. My life, my lifestyle, and my life's purpose have all been developed and cultivated. Through my training. I have learned how to be a more effective leader and servant to my community. I served as the Drama Club, English Club, and Black Literary Society President. I also served as Mr. Freshman & Mr. Sophomore for both of my years at CCC. I was also privileged to serve as a member of the Coahoma Community College Choir for both years. With this membership I was able to develop me social, musical, and leadership skills. The goal was not to gain social fame or recognition, but to enlighten those who feel that they have a place in their society. I gained the courage to be a TRUE leader. With the foundation that Coahoma has given, I am very sure that I will continue to thrive and grown into the educational leader I desire to be. Coahoma is truly a place where dreams are developed into reality.

Kameron M. Haymon

What's YOUR STORY?

Clubs & Organizations

Ambassadors

Akasha Pate of Shaw, Milovan Topalovic of Serbia, Victoria Grandberry of Clarksdale, and Larryetta Reed of Hollandale

Our Story as Ambassadors

An Ambassador is a representative of Coahoma. We often establish visitors' initial impressions of Coahoma and sometimes their only impression. We speak on behalf of Coahoma Community College, so our job is a big one. Both verbal and non-verbal cues paint pictures for visitors as to what Coahoma is like. In general, how we speak, look, and interact with others greatly impacts their first impressions of Coahoma Community College and their perceptions of what a Coahoma student is like. No one guide will be the representative of Coahoma. .there is no "typical" Coahoma student. We all bring different personalities, backgrounds, majors, interests, and accomplishments. One thing that we all bring to this program is our dedication, commitment, and enthusiasm about Coahoma. It is important that we use common sense and courtesy as our primary guideline when we "are" Coahoma in the eyes of the visitors.

LaShasa S. Griffin, Advisor

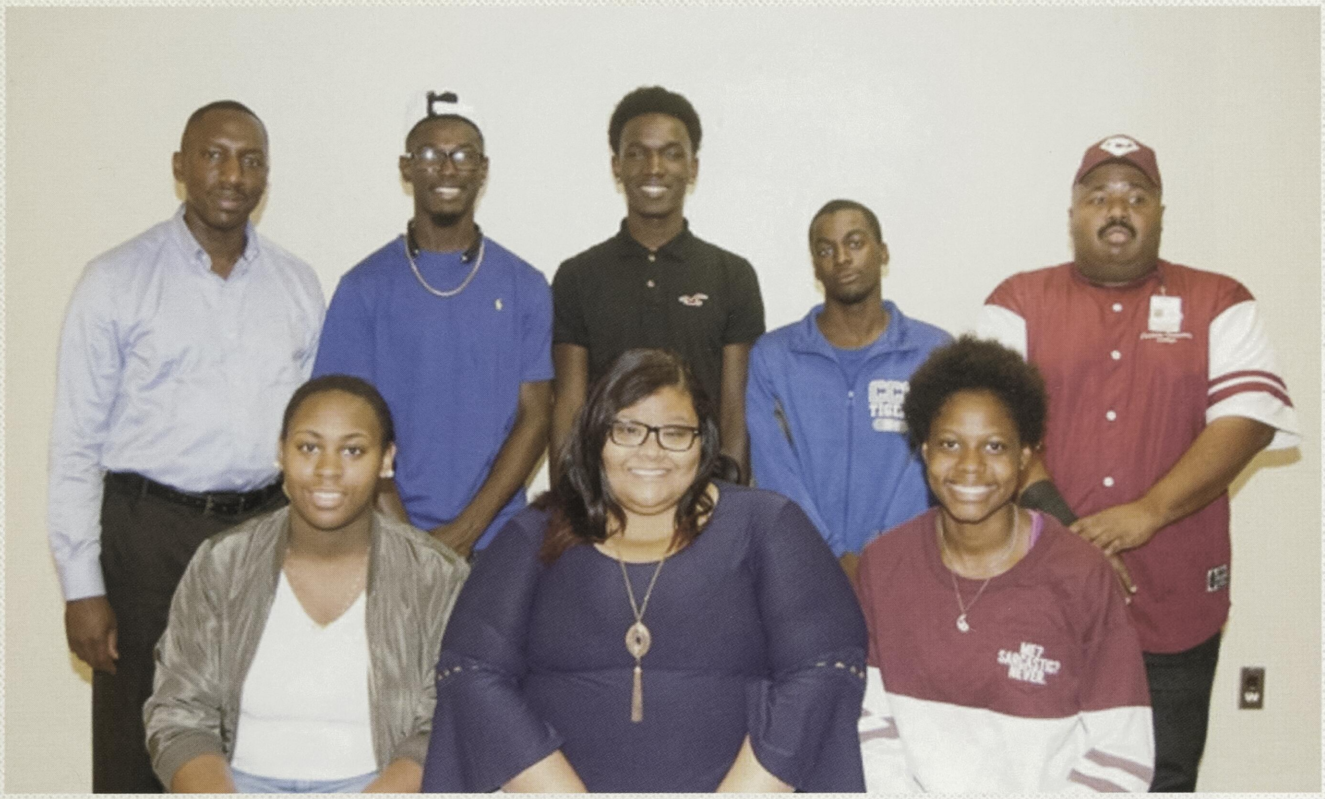
Dormitory Council

Shirley Johnson of Belzoni, Tyianna D. Wigley of Jackson, Kailtyn Wright of Marks,
Joshu Simpson of Clarksdale, Lameka President of Shelby and Tatyana Brownlee of Tupelo

The Housing and Residential Life office partners with students living on-campus to create a learning environment where students feel they are part of the College, are engaged in productive citizenship, and expand their potential.

Diana Thomas and Eugene Polilte, Advisors

Multi-Media Club



Willecia Hinton (Vice President) of Indianola, Tyieserica Henson (President) of Shaw, Kaitlyn Wright of Marks, Ezra Howard (Advisor) of Clarksdale, Martavious Ferrell of Batesville, Namonte Jackson of Clarksdale, J.W. Webster III of Clarksdale, and Vashon K. Jones (Advisor) of New Orleans, LA

CCC Multimedia Club

The Coahoma Community College Multimedia Club (CCCMMC) is a club that focuses on learning about photography and video. The members of this club learn about the processes involved in creating multimedia projects, while working together to create various projects for the benefit of Coahoma Community College.

In an effort to make sure that all CCC events were covered by media, in 2010, Dr. Gregory Hudson and Mr. Ezra Howard initiated the Multimedia Club. Mr. Ezra Howard was the first advisor for this student-led club. Throughout the years, the multimedia club has taken photos and videos of many CCC events and activities. They have also helped produce many media projects including interviews, documentaries and live video streaming of athletic events.

To enrich their knowledge, the club participates in regular training sessions. They also visit art museums and photography/video departments of other universities.

Residential Assistants

Telechia Kidd of Greenwood, George Blue of Tunica, Ed Bumbu of Nashville, TN, Ian Matthews of Benoit, Kerrie Washington of Rosedale, Cre'Shaundra Williams of Moorhead, Shirley Johnson of Belzoni, and Raven Gleen of Louisville

An RA has many roles and responsibilities, including building a residential community through programming, acting as a para-counselor for students, being a familiar first resource for students with academic or institutional questions, and enforcing residence policies. Typically, but not exclusively, the RA goes through a rigorous training process. RAs must balance their schedule and priorities with the needs of the students they are supporting. Above all, a resident assistant must be an example and uphold professional and personal accountability as outlined by the institution. The RA is often asked to be a liaison from the floor to the coordinator. This requires writing reports, keeping accurate records, and maintaining good communication. The RA may also assist with housing needs.

Science & Math Symposium

Larryetta Reed of Greenville, Alexis Greyer of Shelby, LaMaya Shivers of Clarksdale, Taylor Harris of Moorehead, Victoria Grandberry of Clarksdale, Maria Cockrell of Merigold, Shekinah Newson of Clarksdale, Sherynce Scott of Rosedale, Simirra Tripplett of Clarksdale, Za'Kinna Conner of Marks, Deidre Foster of Rosedale, Tyrone Porter of Indianola

SCIENCE AND MATH SYMPOSIUM: *The Club was started by Mr. Frank W. Gambrell around 1962. The club is still quite active. This organization is composed of science and mathematics majors and other students who are interested in the objectives of the club. Objectives of this club include: to help each member develop a sense of responsibility and a more cooperative attitude through group participation; to help each member learn to interpret and analyze the issue of science and mathematics; to help each member learn to think critically; to encourage research in the sciences and mathematics and present seminars; and to have members meet famous/outstanding personalities in the fields of science and mathematics.*

Skills USA

Qevone Black, Oshea Weathersby of Clarksdale, and Akasha Pates of Shaw
Octavious McDaniel of Mound Bayou, Tracy Lynn, Lisa Runnel of Clarksdale,
Shameka Bryant of Indianola, and Joaquinya Daniel of Clarksdale, MS

We were founded in 1965 as the Vocational Industrial Clubs of America ("VICA"). Rebranded as ***SkillsUSA-VICA*** *in 1999 and as SkillsUSA in 2004 as a partnership of students, teachers and industry representatives working together to ensure America has a skilled workforce. SkillsUSA helps each student to excel. SkillsUSA is a national organization serving teachers and high school and college students who are preparing for careers in technical, skilled and service occupations, including health occupations and for further education. SkillsUSA was formerly known as VICA (the Vocational Industrial Clubs of America).*

SkillsUSA *membership is one of the most important things that career technical students can do to prepare for a career. This organization is designed for students and run by students. The chapter chooses, plans, and conducts its own activities*

SkillsUSA is an IRS-designated 501(c) (3) not-for-profit association of 885,000 member students and educators partnering with business and industry to ensure that America has a well-prepared skilled workforce.

One hundred thirty (130) trade, technical and skilled service occupational titles are represented in the curricula of SkillsUSA member students, covering the construction, manufacturing, transportation, health sciences, information technology, communications, personal services, hospitality, public safety and engineering technology industries.

Student Government Association

Ian Matthews, Activities Chairman of Benoit, Maria Cockrell, Student Senate Liasion of Drew, Alexis Hand, Secretary of Cleveland, Miracle Hunter, President of Clarksdale, Tia Davis, Miss. CCC/Parliamentarian/Asst. Secretary of Cleveland, Andre Nawls, Mr. CCC/Sargeant at Arms of Biloxi, Keanna Lee, Vice President of Clarksdale, Shania Eckles, Treasurer of Clarksdale, Kyndal Pointer, Chief of Staff of Chicago, Ill and George Blue, Public Information Officer- of unica

"Transforming Our CCC Campus into a CCC Community!"

*The **Student Government Association** is the governing body that represents the entire student body at CCC. We are tasked with channeling the voice of the students into positive actions for all students on campus. Our goal is to have an SGA that works for and with every student on campus. We value input from all students and want to know what their needs concerns are. We work tirelessly to find solutions to student issues.*

Our desire is not to be above the student, but rather about the student.

Preconception Peer Education (PPE) Club

Tytianna Wigley (Vice- President) of Jackson, Lameka President (President) of Cleveland,, Tatyana Brownlee of Shannon, Kerrie Washington of Rosedale

The Preconception Peer Educator *program focuses on peer education as a means to reduce infant mortality rates and promote preconception health in the community.*

The program is open to all students interested in health disparities, minority health, and maternal and child health. It is an excellent opportunity for faculty and students across Mississippi and the nation to network with other colleges and universities, community-based organizations, local and state health departments, and other government organizations.

What's YOUR STORY?

Coahoma, Coahoma! Greetings, my name is Ian Matthews. I am an Athletic Training/Sports Medicine major from Benoit, Ms. I am an alumnus of Ray Brooks School. I came to Coahoma Community College Fall 2016, with my eyes set to become a better person. My experiences here at Coahoma has molded me for the better. I was a choir member my freshman year and became an Student Government Association member for my first year as the Public Information Officer. During that time, I was able to collaborate with some great leaders that were on the move to make the Coahoma experience great for everyone. I fell in love with how great Coahoma had this family atmosphere. I returned my sophomore year and became a Residential Assistant under Mr. Polite and an Athletic Training student under Mrs. Reid. I also ran for my current position as Student Activities Chairperson for my second year in the SGA. With this I uphold the standards of helping enforce campus activities for students. I participated in community services projects & being a helpful hand. Coahoma Community College is and always will be home for me. I loved my tenure here at my HBCU! It has prepared me mentally, emotionally, and as a leader for higher education. Thank You Coahoma for helping me become a better person. I love my CCC!

Ian M. Matthews

What's YOUR STORY?

My experience at Coahoma was a great one and I'll never forget this great school. This is the only school I know that a person can make fun out of nothing. This school knows how to make a student want to be here, I'm so proud I chose this school. To have had the chance to play sports for this school was a blessing the fans treated us football players like celebrities. I enjoyed every moment of my two years here. I would recommend any one to join the greatness of this school.
GO TIGERS I will truly miss this HBCU!

What's YOUR STORY?

Although there is definitely a difference in secondary education versus post secondary, I have to admit the transitioning process was smooth. I really thought the process was going to be overwhelming and exhausting but thanks to the great faculty and staff of the institution, the transition was a smooth one. For me, it was an advantage that the classes were not overpopulated and the teachers know you by name. I believe gaining/building rapport with your students can be an avenue to produce student success. Overall, I have had a wonderful experience while attending Coahoma Community College. #JUCO was the best choice!

What's YOUR STORY?

While preparing to graduate from high school back in May of 2004, I had dreams of going out into the 'real world' and getting experiences that I knew would not be afforded to me by staying in Clarksdale. With college offers from several schools of my choice, Coahoma Community College was not my first choice. Thanks to a Principal's Scholarship in my name, that all changed for me. I attended CCC in the Fall of 2004, and I can honestly say that has been one of the best decisions that I have ever made.

As a student, I majored in Computer Science and was heavily involved in student activities. I served as a cheerleader, a member of SIFE-Students In Free Enterprise, a CCC Ambassador, a member of Math & Science Symposium, a member of Computer Science Club, Miss Computer Science and Miss Sophomore and received a scholarship to attend a university under the Naval Oceanographic Program. I did all of that while working a part-time job at Winn-Dixie. Needless to say, CCC was an amazing experience where I was educated, met lifelong friends, and graduated in May of 2006 and furthered my education at Mississippi Valley State University. The rest is history.

Shanelle D. Frazier

"It's Never too Late"

I am a life-long resident of Jonestown, MS, the mother of six children, a small business owner for 33 years and presently employed at Coahoma Community College Workforce Development Center. After being out of the classroom setting for over 30 years, I began my educational journey in 2006 at Coahoma Community College, it was at this point, I decided to become a "life-long learner."

This journey was one of the hardest, yet one of the most extraordinary and rewarding experiences ever attempted. I learned that it is never too late to accomplish your goals. I wanted to be a positive instigator to others who felt that this could not be done. When deciding to return to school, I found that in order to succeed one needed to make your mind up, make a plan, and have a good support system.

The goal of obtaining my degrees kept me going. Many would ask, "Are you still in school?" The answer would always be, "Yes". One of my instructors said to me, in jest, "Every time I meet you, you are in school. When you die, they will hold your funeral, at school!" That comment was just what I needed to confirm that I was on the right track to obtaining major goals in my life.

I had wonderful instructors at Coahoma that assured me that it was never too late to achieve my life goals. I took those words to heart, and made my mind up to return to school. I created a plan for myself, established great support from family, friends, church members and from the Coahoma Community College staff.

In 2006-2009, I received two AA's from Coahoma Community College in Business, Office Technology and Medical Billing and Coding. I went on to obtain my Bachelors in Business Administration from Mississippi Valley State University in 2013 and an MBA from Mississippi Valley State University in 2016. I really wanted that Master's, for it was the jewel in my educational crown.

I wanted to let my children, grandchildren and others know, that it is never too late, nothing is never too hard, and that success is within reach, if they trust in God, make their minds up, have a plan, find support and just do it.

Thank you Coahoma Community College for all that you do for the community in the development of life-long-learners.

Mary A. Suggs

What's YOUR STORY

"This Is My Story".

When I was approached to "Tell My Story," I didn't quite know what was expected of me, but after further thought, I knew exactly what I would share as my story. Just like every picture tells a story. The essence of my story really shaped the direction of my life.

I was born into a family that worked hard to take care of its members, and my family loved God, family and learning. That family was not "educated" as we know "educated" to be in today's society but never held that as a crutch to hinder them from learning and wanting future generations of family members to have an opportunity to learn. The patriarch and matriarch of my family only received a third grade and eighth grade education in a school system for colored people that was understanding of what families of great hardship had to endure and revert to just to make a living and survive. If you know anything about colored people in the forties, fifties, sixties and so forth, you know that the struggle was real and present and often tore families apart for lack of the essential amenities that we take for granted today, and so families had to pull their children out of school to help in that survival, especially and often during the harvest and planting months of the year. You see, the hands were the tools used for making money for putting food on the table and clothing on the backs of its members. These tools were employed or used some eight of nine months of the year for a survival mechanism and not so much the mind. Hard work from sun up to sun down was what the family had to do to survive. That work didn't require much thinking, but my parents always had a plan for the children. That plan was to never have the children to work as hard as they did as children and adults. I was blessed to have a mother and father that knew that the "mind is a terrible thing to waste". My father always said that we are not an ignorant people, God gave us dominion over the animals, and He made us a little lower than His angels, and we must use the position that He has given us to the best of our ability. My parents sent us to school, and we learned. As a result, I was the third child to complete requirements at Coahoma Junior College for an Associate degree. Four of my siblings and I continued our education at Mississippi Valley state University, completing requirements for bachelor degrees. I continued my education and received a master degree and a specialist degree, and today I am grateful to be employed at my alma mater, Coahoma Community College where a "mind is a beautiful thing". For generations, my family worked hard but persevered to change the culture of the future for my siblings and for me. I know my parents' plan has resonated with me because I have instilled in my children that same drive to achieve; so thanks mom and dad, for instilling in me that it is never too late to realize your potential and change the direction of your future!

My Story

I started my journey at Coahoma Community College as a Student Navigator with the Division of Health Sciences in 2014. Since my time here, I have been allowed to help students become successful in their various fields of health care. Nothing is more rewarding than seeing former students become gainfully employed and loving the jobs that they are doing. Each year, I look forward to meeting new students and helping them along the way in some fashion. CCC is an institution of encouragement and empowerment. I am elated to be a member of TIGER NATION

What's YOUR STORY

Hello, I'm a current member and Euphonium section leader of the Coahoma Community College, "Southern Soul Of The Delta," marching band. There're many great experiences I've had with this band, and one good experience was my freshman homecoming. It was an awesome feeling participating in the homecoming parade and marching to the stadium with the band I'm so proud to be apart of. Another great experience was when I was one of the few members selected to attend the HBCU-National Bands Directors Consortium and represent Coahoma Community College to the best of my ability.
These are just some of the many experiences that I'm still making to this day.

Eddie Hoskins

What's YOUR STORY?

My overall experience at Coahoma Community College has been the greatest experience of my life so far. I have learn so much and I have met so many wonderful people who has become close friends. Though I was involved in a lot of extracurricular activities it did not stop me from completing my studies as a music education major. I was a member of the choir, cheerleading squad, and most importantly I served as Mr. Coahoma Community College. Being crowned as Mr. CCC gave me the confidence that I wish I had a long time ago. To reign with my beautiful queen Tia Davis, Miss Coahoma Community College 2017-2018, is something that I will truly remember for the rest of my days. If I could do it all over again I wouldn't hesitate. Coahoma Community College will always be my home and I am so happy that I chose CCC as my educational oasis.

Andre Nawls

Hello All;
Starting a new chapter of life with the load of diabetes is a difficult thing to do. There are so many unknown and looming conclusions, factors, and possibilities that ride the mind into a whirlwind of thoughts. Coming into Coahoma, I decided that I'd take on the responsibility head on and let come whatever may. Trying to give the right amount of importance to school work and health simultaneously, I was appreciative of the environment some of my instructors helped me create to deal with heavy homework loads and horrible diabetic episodes some mornings. Coahoma has allowed me to learn how to juggle the responsibility of taking complete care of myself, trying to have a social life, and keeping a great track record of grades that will allow me to start the journey of trying to create a nice, comfortable, and productive life for myself.

Kaitlyn Wright

What's YOUR STORY

My Story

Hello. I am a recurring freshman here at Coahoma Community College. Nursing have always been my passion for quite some time. After being unsuccessful in the Practical Nursing program last year, I decided that "failure was only a delay and not a defeat". With the support from my PN instructors and staff, the resources provided by the library, and the encouragement from family and friends, I have begun my nursing journey once again. I am currently in my second semester of nursing school; my journey does not end here.

Klydra Johnson

I would highly recommend dual enrollment to other students as it will save them a lot of time and money. I wanted to have college credits before I graduated high school, and be able to somewhat experience what college is like. Although I was still in high school, I had to sacrifice other events to be able to get my work done. I had to choose what was more important. I managed 4 college courses along with my high school courses and accumulated 12 hours of college credits my junior year. I completed my junior year with all A's on both sides of campus. Because I took a more rigorous course my senior year, I had to focus on school only. I had a bad habit of procrastinating that was easily broken by a public speaking course I was taking. Eventually, I learned how to manage my time and I really started to enjoy the course. Taking dual enrollment gave me the opportunity to meet people from different areas of the state. I've also gained friends that I can see being my friends for life. Altogether, I earned 15 hours of college credits before graduating high school. By accumulating 15 hours, which is equivalent to a semester, I will only have to attend Coahoma for 3 semesters. Being that I will be attending summer school, I will enter Coahoma as a sophomore and graduate in a year.

Layesha Ba

Miss Coahoma Early College High

What's YOUR STORY?

Dedication

REV. DR. TIMOTHY BURREL, SR.

Reverend Dr. Timothy Burrel, Sr. is a native of Lyon, Mississippi and is the eighth child of eleven children born to the late Reverend George N. and Mrs. Rosie Burrel. Dr. Burrel comes from lineage of pastors. He accepted Christ at the age of ten at Liberty M. Baptist Church. He remained active in many church activities and spent much of his youth singing in the youth choir, BTU, Sunday school, and Bible study.

After graduating from Coahoma Community College in 1963, he worked as a shipping clerk in a local factory for one year. In the year of 1964 he enrolled in Mississippi Valley State University where he received a Bachelor of Science in Elementary Education in 1966. In August of 1966 he was drafted into the United State Army and served two years on active duty and twenty four and a half in the United State Army Reserve where he retired as a Master Sergeant.

In November of 1968 he met the love of his life his lovely wife Mrs. Mary C. Burrel and moved to Clarksdale, MS. To this union three children were born, Timothy Burrel, Jr., Terrence D. Burrel, Sr., and Morika M. Burrel. They are the proud grandparents of eleven grandchildren and one great grandchild.

In the summer of 1970 Dr. Burrel attended the Mississippi State University. He also received a Master of Education in Media Education, Master of Library Science, AAA Certification as a Media Librarian, AA Certification in Administration and Supervision degrees from the University of Mississippi. During this time period he served in many positions at Liberty M. Baptist Church which included Sunday school teacher, deacon, trustee, property manager, chairman of the deacon ministry, and assistant superintendent of Sunday school. He served as associate minister under Pastor Marvin K. Myles and Rev. Dr. Robert Walker after being licensed to preach October 22, 2000.

In 2002 Dr. Burrel received the Certification of Ordination under the leadership of the late Rev. Dr. Robert Walker the pastor of Liberty M. Baptist Church and served as his associate Minister. In 2006 Dr. Burrel earned the Doctoral of Ministry in Christian Counseling from Jacksonville Theological Seminary in Jacksonville, Florida.

During this time period Rev. Dr. Burrel has worked in many positions in the work world. He served eighteen years as a library media director and as an instructor at Coahoma Community College. He also worked for the public school system for a total of eighteen years, giving him a total of thirty-six years in the school system. Rev. Dr. served in the local political system for a total of twenty years. During this time Dr. Burrel was able to appropriate funds for various projects which included the storm drainage and the paving of the campus streets, and the safe house that is being constructed on the college campus for the students and citizens in the community. He and other County supervisors donated land on Ohio Street in Clarksdale, MS where they helped to finance the allied health center. Many more projects were done during his time of service. Some of the positions he held during this period of time included but not limited to are as follows; classroom teacher, media director, vocational teacher, elementary, junior high, middle elementary and alterative school principal. He also served as a platoon sergeant, operation sergeant, and instructor in the United State Army Reserve where he received many awards and honors to include the Meritorious Service Medal for exceptional service as a Senior Instructor and for Outstanding Meritorious service Medal as a member of the United State Army Reserve.

Dr. Burrel is heavily involved in community activities and other organizational activities as follows; member of the NAACP, member of the 33rd Degree of the United Supreme Council, the 32nd Degree of Edward S. Baker Consistory 145, Hira Temple 131, Hurst Lodge 300, life member of the VFW Post 8590, Financial Secretary for Epsilon Xi Lambda Chapter of Alpha Phi Alpha Fraternity, Inc., life member of Coahoma Community College Alumni Association, past Vice-President for North Delta Planning & Development District, Vice-President and President of Coahoma County Board of Supervisor, and member of the Clarksdale/Coahoma County Chamber of Commerce. Rev. Dr. Timothy Burrel now serves as a member of the President's High School Committee.

On November 24, 2013 Dr. Burrel accepted the call as Pastor at the Damascus M. Baptist Church in Clarksdale, Mississippi but is no longer the pastor.

On October 6, 2016 Rev. Dr. Timothy Burrel received the Alumnus of the Year President's Award from Coahoma Community College and Agricultural High School *"For outstanding contributions and dedicated service to Coahoma Community College and Agricultural High School."*

Student! *Instructor!*

Minister!

Rev. Dr. Timothy Burrell Sr.

2017 Mississippi Humanities Teacher
Brad Bernard

Bernard is an art instructor at Coahoma Community College as well as an exhibiting artist, arts advocate, scholar and entrepreneur. He received his MFA in painting from the University of Mississippi, Oxford and has devoted his 25-year career to honing his craft as an artist and developing innovative ways to educate through visual arts and culture.

Bernard's innovative lecture: 'How the Blues put us in a funk - African American Music and the Creative Economy was presented to his peers. The presentation included African American Music Genres: - blues, gospel, jazz, rock & roll, rhythm and blues, soul, funk, hip hop, and neo-soul. During November MHC recognizes outstanding teachers of humanities in Mississippi colleges and universities. Award recipients are honored again during Mississippi Humanities Council spring award presentation in the Old Capitol Museum in Jackson, MS.

Two Coahoma Community College Tigers were among community college students from across the state recently honored for their outstanding intellectual achievement and leadership during the **2017 All-Mississippi Academic Team Recognition Ceremony.**

Tigers Jayla Miller and Ashley Wiley, both of Clarksdale, were selected to attend the special ceremony hosted in Jackson Wednesday, March 22, in honor of their designation as members of the 2017All-Mississippi Community College Academic Team.

Nominees are hand-selected by colleges to serve as First and Second Team members for showing intellectual rigor and demonstrating academic, leadership and civic growth.

During the luncheon, Miller, who was selected as CCC's First Team member, was presented with a legislative resolution, a certificate, a medallion and a $1,000 scholarship sponsored by CCC.

Wiley, CCC's Second Team member, was presented with a legislative resolution, certificate and medallion.

CCC President Dr. Valmadge Towner and PTK Advisors Patricia Furdge and Adrian Allen were all in attendance to show their support for the Tigers.

Career-Tech makes Tiger history with eight SkillsUSA awards

Chase Durham of Oxford, 3rd place winner in Teamworks; Matt Bumpous of Walls, 3rd place winner in Teamworks; Residential Carpentry Instructor Larry Barrett; Maques Shorter of Shelby, 3rd place winner in Teamworks; Wyatt Bailey of Hernando, 2nd place winner in Carpentry; JaCorey Johnson of Lyon, 3rd place winner in Teamworks

Cleveland Miller of Tutwiler, 2nd place winner in Collision & Repair; Collision Repair Technology Instructor Joe Giles; Marvell Jones of Friars Point, observer; Nicholas McBride of Clarksdale, competitor in Auto Refinishing

Brothers Darryl Heath and Anthony Galmore of Clarksdale, placed second in the Brick Masonry competition.

Audrey Davidson of Friars Point, 2nd place winner in Commercial Baking; Culinary Arts Instructor Joann Hoskins; Nakisha Johnson of Tunica, participated in Job Demonstration A; Markee Williams of Clarksdale, 2nd place winner in Restaurant Service; Ladarius Houston of Clarksdale, 2nd place winner in Job Demonstration Open; Culinary Arts Instructor Brennon Warr; Marcello Kemp of Clarksdale, 3rd place winner in Culinary Arts
